COMMENTS IN SUPPORT OF PROPOSED RULE MAKING

Unity Broadcasters¹ ("Unity"), by its attorney, respectfully comments in support of the Commission's Notice of Proposed Rule Making ("Notice"), DA 06-272, released February 6, 2006, in the above-captioned proceeding.

Unity supports the proposal to allot Channel 226C3 to Sumrall, and incorporates by reference the showing of the community's need which was made in its petition for rule making.

Unity intends to apply for a construction permit for the Sumrall station upon the effectiveness of the allotment, and to promptly construct the station upon grant of its application.

Accordingly, the Commission should amend Section 73.202(b) as proposed in the Notice.

¹The NPRM incorrectly identifies the petitioner as Unity Broadcasting.
